

No. 186. An act relating to reporting on population-level outcomes and indicators and on program-level performance measures.

(S.293)

It is hereby enacted by the General Assembly of the State of Vermont:

Sec. 1. PURPOSE

(a) This act is necessary for the General Assembly to obtain data-based information to know how well State government is working to achieve the population-level outcomes the General Assembly sets for Vermont's quality of life, and will assist the General Assembly in determining how best to invest taxpayer dollars.

(b) Evaluating the results of spending taxpayer dollars will allow the General Assembly to be more forward-thinking, strategic, and responsive to the long-term needs of Vermonters and allow the Executive Branch to consider how the programs it administers could be further refined in order to produce better results.

(c) Using the data-based information provided under this act will encourage State government to continue to move steadily toward results-based accountability and will help educate the General Assembly and Executive Branch on how to be more effective and accountable to Vermonters and will encourage a better partnership with Vermont communities.

Sec. 2. 3 V.S.A. chapter 45 (administration), subchapter 5 is added to read:

Subchapter 5. Chief Performance Officer

§ 2311. CHIEF PERFORMANCE OFFICER; ANNUAL REPORT ON
POPULATION-LEVEL OUTCOMES USING INDICATORS

(a) Report. Annually, on or before July 30, the Chief Performance Officer within the Agency of Administration shall report to the General Assembly on the State's progress in reaching the population-level outcomes for each area of Vermont's quality of life set forth in subsection (b) of this section by providing data for the population-level indicators that are requested pursuant to the process set forth in subsection (c) of this section.

(b) Vermont population-level quality of life outcomes.

(1) Vermont has a prosperous economy.

(2) Vermonters are healthy.

(3) Vermont's environment is clean and sustainable.

(4) Vermont's communities are safe and supportive.

(5) Vermont's families are safe, nurturing, stable, and supported.

(6) Vermont's children and young people achieve their potential,

including:

(A) Pregnant women and young people thrive.

(B) Children are ready for school.

(C) Children succeed in school.

(D) Youths choose healthy behaviors.

(E) Youths successfully transition to adulthood.

(7) Vermont's elders and people with disabilities and people with mental conditions live with dignity and independence in settings they prefer.

(8) Vermont has open, effective, and inclusive government at the State and local levels.

(c) Requesting population-level indicators.

(1) Annually, on or before March 1, a standing committee of the General Assembly having jurisdiction over a population-level quality of life outcome set forth in subsection (b) of this section may submit to the Government Accountability Committee a request that any population-level indicator related to that outcome be revised.

(2) If that request is approved by the Government Accountability Committee, the President Pro Tempore of the Senate, and the Speaker of the House, the Chief Performance Officer shall revise and report on the population-level indicator in accordance with the request and this section.

(d) The report set forth in this section shall not be subject to the limitation on the duration of agency reports set forth in 2 V.S.A. § 20(d).

§ 2312. PERFORMANCE ACCOUNTABILITY LIAISONS TO THE
GENERAL ASSEMBLY

(a) The Chief Performance Officer shall designate an employee in each agency of State government to be a performance accountability liaison to the General Assembly. A liaison designated under this section shall be responsible

for reviewing with the General Assembly any of the population-level outcomes and indicators set forth in section 2311 of this subchapter to which that agency contributes and for responding to any other requests for results-based accountability information requested by the General Assembly.

(b) The performance accountability liaisons shall report to the Chief Performance Officer on any action taken under subsection (a) of this section.

(c) Annually, on or before July 30 and as part of any other report requirement to the General Assembly set forth in this subchapter, the Chief Performance Officer shall report to the General Assembly on his or her analysis of the actions taken by the performance accountability liaisons under this section.

§ 2313. PERFORMANCE CONTRACTS AND GRANTS

(a) The Chief Performance Officer shall assist agencies as necessary in developing performance measures for contracts and grants.

(b) Annually, on or before July 30 and as part of any other report requirement to the General Assembly set forth in this subchapter, the Chief Performance Officer shall report to the General Assembly on the progress by rate or percent of how many State contracts and grants have performance accountability requirements and the rate or percent of contractors' and grantees' compliance with those requirements.

Sec. 3. INITIAL POPULATION-LEVEL INDICATORS
