The applicant shall attach to the application a medical verification form developed by the department pursuant to subdivision (2) of this subsection.

(d) Any time one or more dispensary registration applications are being
considered, the department of public safety shall solicit input from registered
patients and registered caregivers.

(e) Each time a dispensary certificate is granted, the decision shall be based
on the overall health needs of qualified patients. The following factors shall
weigh heavily in the consideration of an application:

(1) Geographic convenience to patients from throughout the state of
Vermont to a dispensary if the applicant were approved.

(2) The entity’s ability to provide an adequate supply to the registered
patients in the state.

(f) The department of public safety may deny an application for a dispensary if it determines that an applicant’s criminal history record indicates that the person’s association with a dispensary would pose a demonstrable threat to public safety.

§ 4474g. DISPENSARY REGISTRY IDENTIFICATION CARD; CRIMINAL BACKGROUND CHECK

(a) Except as provided in subsection (b) of this section, the department of public safety shall issue each principal officer, board member, and employee of a dispensary a registry identification card or renewal card within 10 days of
receipt of the person’s name, address, and date of birth and a fee of $25.00. A
person may not serve as principal officer, board member, or employee of a
dispensary until that person has received a registry identification card issued
under this section. Each card shall specify that the cardholder is a principal
officer, board member, or employee of a compassion center, and shall contain
the following:

   (1) The name, address, and date of birth of the person.

   (2) The legal name of the dispensary with which the person is affiliated.

   (3) A random identification number that is unique to the person.

   (4) The date of issuance and the expiration date of the registry

identification card.

   (5) A photograph of the person.

(b) Prior to acting on an application for a registry identification card, the
department of public safety shall obtain a Vermont criminal history record, an
out-of-state criminal history record, and a criminal history record from the
Federal Bureau of Investigation on the applicant. Each applicant shall consent
to the release of criminal history records to the department on forms
substantially similar to the release forms developed in accordance with
20 V.S.A. § 2056c.

(c) When the department of public safety obtains a criminal history record,
the department shall promptly provide a copy of the record to the applicant.
and to the principal officer and board of the dispensary, if the applicant is to be
an employee. The department shall inform the applicant of the right to appeal
the accuracy and completeness of the record pursuant to rules adopted by the
department.

(d) The department of public safety shall comply with all laws regulating
the release of criminal history records and the protection of individual privacy.
No person shall confirm the existence or nonexistence of criminal history
record information to any person who would not be eligible to receive the
information pursuant to this subchapter.

(e) The department of public safety shall not issue a registry identification
card to any applicant who has been convicted of a drug-related offense or a
violent felony. For purposes of this subchapter, “violent felony” means a listed
crime as defined in 13 V.S.A. § 5301(7), or an offense involving sexual
exploitation of children in violation of chapter 64 of Title 13.

(f) The department of public safety shall adopt rules for the issuance of a
registry identification card and set forth standards for determining whether an
applicant should be denied a registry identification card because his or her
criminal history record indicates that the person’s association with a
compassion center would pose a demonstrable threat to public safety. The
rules shall consider whether a person who has a conviction for an offense not
listed in subsection (d) of this section has been rehabilitated. A conviction for
an offense not listed in subsection (d) of this section shall not automatically
disqualify a person for a registry identification card. A dispensary may deny a
person the opportunity to serve as a board member, or employee based on his
or her criminal history record. An applicant who is denied a registry
identification card may appeal the department of public safety’s determination
in superior court in accordance with Rule 75 of the Vermont Rules of Civil
Procedure.

(g) A registration identification card of a principal officer, board member,
or employee shall expire one year after its issuance or upon the expiration of
the registered organization’s registration certificate, whichever occurs first.

§ 4474h. PATIENT DESIGNATION OF DISPENSARY

(a) The department of public safety shall track the number of registered
patients who have designated each dispensary. The department shall issue a
monthly written statement to the dispensary identifying the number of
registered patients who have designated that dispensary, and the registry
identification numbers of each patient and each patient’s designated caregivers.
