The town clerk shall store the ballots, except

statement affirming that the voter has not received the original ballot. If a

Sec. 10. 17 V.S.A. § 2537 is amended to read:

§ 2537. EARLY OR ABSENTEE VOTING IN THE TOWN CLERK’S OFFICE

A. An absentee voter may, if he or she chooses, apply in person to the town clerk for the early voter absentee ballots and envelopes rather than having them mailed as required by section 2539 of this title. In this case, the clerk shall furnish the early voter absentee ballots and envelopes when a valid application has been made. The voter may mark his or her ballots, seal them in the envelope, sign the certificate, and return the ballots in the sealed envelope to the town clerk or an assistant town clerk, without leaving the office of the town clerk, or the voter may take the ballots and return them to the town clerk in the same manner as if the ballots had been received by mail. No person, except justices of the peace as provided in section 2538 of this title, may take any ballot from the town clerk on behalf of any other person.
Sec. 11. 17 V.S.A. § 2538 is amended to read:

§ 2538. DELIVERY OF ABSENTEE BALLOTS BY JUSTICES OF THE PEACE

(a) In the case of persons who are early or absentee voters due to illness or physical disability, ballots shall be delivered in the following manner unless the early or absentee voter has requested pursuant to section 2539 of this title that the early voter absentee ballots be mailed. Not later than three days prior to the election, the board of civil authority shall designate in pairs justices of the peace in numbers sufficient to deliver early voter absentee ballots to the applicants for early voter absentee ballots who have stated in their applications that they are unable to vote in person at the polling place due to illness or physical disability but who have not requested in their applications that early voter absentee ballots be mailed to them. No pair shall consist of two justices from the same political party. If there shall not be available a sufficient number of justices to make up the required number of pairs, a member of each remaining pair shall be designated by the board, to be selected from lists of registered voters submitted by the chairs of the town committees of political parties, and from among registered voters who in written application to the board state that they are not affiliated with any political party. No candidate or spouse, parent, or child of a candidate, shall be eligible to perform the duties prescribed by this section unless the candidate involved is not disqualified by
section 2456 of this title from serving as an election official. This shall not
prevent a candidate for district office from serving as a justice in another
district. The compensation of justices and voters designated under this
subsection shall be fixed by the board of civil authority and shall be paid by the
town.

(b) The town clerk shall divide the list of ill or physically disabled
applicants into approximately as many equal parts as there are pairs of justices
so designated, having regard to the several parts of the town in which the
applicants may be found. During the eight days immediately preceding
election day and on election day, the clerk shall deliver to each pair of justices
one part of the list, together with early or absentee voter ballots and envelopes
for each applicant. When justices receive ballots and envelopes prior to
election day, they shall receive only the ballots and envelopes they are
assigned to deliver on that day.

(c) Each pair of justices on the days they are assigned to deliver the ballots
and envelopes, shall call upon each of the early or absentee voters whose name
appears on the part of the list furnished to them and shall deliver early voter
absentee ballots and envelopes to each early or absentee voter. The early or
absentee voter shall then proceed to mark the ballots alone or in the presence
of the justices, but without exhibiting them to the justices or to any other
person, except that when the early or absentee voter is blind or physically
unable to mark his or her ballot, they may be marked by one of the justices in full view of the other.

Sec. 12. 17 V.S.A. § 2539 is amended to read:

§ 2539. MAILING OF EARLY VOTER ABSENTEE BALLOTS;

PERMANENTLY DISABLED VOTERS

(a) Unless the early or absentee voter votes in the town clerk’s office, or unless the justices are to deliver the early voter absentee ballots to the early or absentee voter, the town clerk shall provide to the early or absentee voter who comes to the town clerk’s office a complete set of early voter absentee ballots or mail a complete set of early voter absentee ballots to each early or absentee voter for whom a valid application has been filed. The early voter absentee ballots shall be mailed forthwith upon the filing of a valid application, or upon the town clerk’s receipt of the necessary ballots, whichever is later. Early voter absentee ballots to persons having addresses outside the 50 states and the District of Columbia shall be sent air mail, first class, postpaid when such service is available.

(b) In the case of persons who are early or absentee voters due to illness or physical disability, if the voter or authorized person requests in his or her application or otherwise that early voter absentee ballots be mailed rather than delivered by justices of the peace, the town clerk shall mail the ballots; otherwise the ballots shall be delivered to such voters by justices of the peace.
In the case of all other early or absentee voters, the town clerk shall mail the early voter absentee ballots, unless the voter chooses to apply and vote in person at the town clerk’s office.

Sec. 13. 17 V.S.A. § 2540(b) is amended to read:

(b) In the case of early or absentee voting in a primary, the instructions shall also include appropriate instructions prepared by the secretary of state for separating and depositing unvoted ballots in a separate envelope provided and clearly marked for that purpose.

Sec. 14. 17 V.S.A. § 2541(b) is amended to read:

(b) When an early or absentee voter is blind or is physically unable to go to the polls to vote in person or to mark his or her ballots, they may be marked by one of the officers who delivers the ballots, in the presence of the other officer. A person who gives assistance to a voter in the marking or registering of ballots shall not in any way divulge any information regarding the choice of the voter or the manner in which the voter’s ballot was cast.

Sec. 15. EFFECTIVE DATE

This act shall take effect on passage.
