

**JFC Alternative to Gov Proposed Rescission Plan**

**Changes to Plan as submitted**

Accept a 5% half yr (2.5% annual) reduction, instead of an 8% half year (4% annual) cut to the mental health and developmental disabilities agencies

	GF	Gross \$s
DS \$	819,705	\$ 2,016,494
MH \$	492,695	\$ 1,212,042

Postpone the implementation of the childcare eligibility change until April 1, 2008 so the full legislature can make the decision to go forward with this.

\$	426,000	\$ 426,000
----	---------	------------

Accept half the reduction in the Individual Development Accounts and Micro business lending program

\$	75,000	\$ 75,000
----	--------	-----------

\$	1,813,400	\$ 3,729,536
----	-----------	--------------

**We propose the following reductions to offset these changes**

Reduce the Next Generation Scholarships allocation in higher education institutions. These funds will not be committed until the spring

\$	(250,000)	\$ (250,000)
----	-----------	--------------

Reduction in VHCB appropriation

\$	(250,000)	\$ (250,000)
----	-----------	--------------

Savings within the Judiciary appropriation as proposed by the Judiciary

\$	(245,100)	\$ (245,100)
----	-----------	--------------

Change the funding source for the drivers education grants to the education fund saving GF and TF

\$	(323,223)	n/a
----	-----------	-----

*also saved TF \$127k*

Change the funding source for the technical center leadership education grants to the education fund saving GF

\$	(54,418)	n/a
----	----------	-----

Transfer funds from VHFA in energy loan program not being used

\$	(526,000)	
----	-----------	--

Analysis of the 5% reduction to exempt employees making over \$60,000 for the second half of fiscal year indicates that more general fund savings can be booked for a total of \$410k

\$	(165,000)	\$ (165,000)
----	-----------	--------------

Total alternative GF savings

\$	(1,813,741)	\$ (910,100)
----	-------------	--------------

Net Change

\$	(341)	\$ 2,819,436
----	-------	--------------
