How administered

- FORM HC-607 was initially developed for insurance companies to report and pay the tax. As of July 1, 2015, insurance companies are now required to report and pay through the tax department website: myVTax.vermont.gov
- The Tax Department also receives a list of the companies liable for the tax from the Green Mountain Care Board (using VHCURES data).¹
- Notices are sent to companies in mid-November.
- When DVHA used collect the tax, a list was posted on the web. The Tax Department does not make the list public for confidentiality reasons.
 - Attached is a list from DVHA for SFY'13. Such lists are no longer available.
