

State of Vermont Legislative Joint Fiscal Office
Privacy Policy

This site uses Google Analytics to collect anonymous information about the users of the website.

This information is used to discover which topics most interest the users of the website. Cookies are used to make sure visitors are not counted multiple times.

What Is Collected Includes:

- The Internet domain and IP address used to access the website
- The browser and operating system used to access the website
- The date and time of access
- The pages that are visited
- The address of the prior page visited if that page linked to this website
